

XPOL-3 in standby mode

Submitted by KumarVijayMishra on Wed, 2013-05-29 09:02

Date:

Wednesday, May 29, 2013 - 09:00

Instrument List:

- [Yellow](#)

Discussion:

Due to concerns regarding high tornadic winds around XPOL-3 site, the radar has been put in standby mode in V-pointing position starting ~20130528-2200 UTC.
